MESSAGE FROM THE PRESIDENT

Welcome back to the Kirkton Fall Fair! What a crazy, unpredictable, challenging couple of years it has been, but I am so excited that things are continuing to improve and life is getting back to 'normal'. Which means, we will be able to offer more events and activities at this year's fair!

Last year's fair is just what our community needed to bring everyone back together. We had to change our plans and modify the fair but there is nothing I loved more than seeing everyone having a fun-filled weekend connecting with neighbours, friends and family and keeping the fair tradition alive.

The fair board has been working hard on planning another action packed weekend. Back by popular demand, we will be kicking off the fair on Friday night with another magnificent firework show! Saturday morning will begin with the famous parade followed by lots of family fun entertainment during the day, and yes that includes the return of inflatables! The tractor pull will begin late Saturday afternoon into the evening. Stop by Sunday morning to grab a breakfast sandwich and catch up with neighbours and friends. The fair wouldn't be complete without the classic car show and demolition derby in the afternoon.

The exhibit hall will also be open for in person viewing this year on all 3 days! I can't wait to see everyone's creations.

I would like to thank all of the fair board members and volunteers that help make this fair happen. There is so much work that goes into making this weekend a success. I appreciate everyone's dedication and love for the community year after year.

I would also like to thank all of you for coming out and supporting and enjoying the fair. So make sure to bring your family and friends to the 2022 Kirkton Fall Fair - A Little Fair With a Lot of Pull. I'm looking forward to seeing you all there!
